Frequently asked questions

1. Why do the Schwarzkopf Foundation and Deutsche Bahn award travel grants to young Europeans?

We are convinced that all young people should have the opportunity to experience Europe¹ – regardless of their social and regional origin, their school background or their financial means.

With the travel grants, our grant holders travel the continent independently and deal with current political and social issues, which they record in the form of video reports. They are the ones who tell Europe boldly and in new ways, making it more inclusive.

2. Who can apply for the Interrail Global Pass offered by the Schwarzkopf Foundation and Deutsche Bahn?

We explicitly support Europeans who have been able to travel abroad little or not at all. Applications from young people with migration and refugee backgrounds, from rural areas, from vocational schools and with a secondary school diploma are encouraged to apply and will be given special consideration.

The following applies to the scholarships: Applicants must be between the ages of 18 and 27 at the time of travel and must be citizens or have their main place of residence in one of the EU countries or in the following countries (according to Interrail policy): Albania, Andorra, Bosnia-Herzegovina, Faroe Islands, Gibraltar, Iceland, Isle of
